MORE ABOUT THE EVENT

Opportunities in the Japanese Market

- **The world's 4th largest economy** : a mature and sophisticated market.
- **A driver of innovation** : strong momentum in emerging services.
- **Opportunities for French companies** in industry, transportation, healthcare, and digital sectors.
- **Evolving consumer habits** : growing interest among Japanese decision-makers in French offerings.

This mission is particularly suited to companies that have not yet entered the Japanese market and are looking to gain a better understanding of Asian markets.
